The Family Educational Rights and Privacy Act of 1974, effective January 1, 1975, provides that an applicant admitted to and enrolling in Columbia is entitled to review records on file in the Office of the Dean of Student Affairs. If an applicant wishes his or her recommendations to Columbia submitted on a confidential basis, this right of access may be waived. While confidential recommendations are no longer required of applicants, if you wish this form to remain confidential please sign below.

"I will not seek access to this confidential recommendation submitted on my behalf and used for admission and initial academic counseling purposes only."

Applicant's signature _____ Date _____

INFORMATION TO BE COMPLETED BY THE FACULTY MEMBER

Your candid remarks on this student will be of great help to the Committee on Admissions in their evaluation.

Please submit this form and any comments to Columbia by March 15. When composing your comments, we ask that you take care to address the candidate's: value added to your class; contributions to class discussion; ability to listen to other students and respond appropriately; enthusiasm for challenging material; originality and creativity; contributions to school and community; leadership and/or exemplary levels of achievement in extracurricular pursuits; character and maturity; respect from peers and faculty members; openness to and tolerance of differing opinions, values, and backgrounds; unusual circumstances or weaknesses. For candidates to The Fu Foundation School of Engineering and Applied Science, please comment specifically on the student's skills and intuitive ability in the study of mathematics. Thank you very much for your help.

How long have you known this candidate? _____

In what subject(s) have you taught him/her? _____

What grade(s) did he/she receive from you? _____

		Below Average	Average	Good (above average)	Very Good (well above average)	Excellent (top 10%)	One of the top few I have ever encountered in my career	N/A
