Cash Advance Policy

1. No funds will be granted without adviser's approval on an FTF and a Cash/Travel Advance Detailed Request Form (ABC groups may also need to first submit an Event Approval Form for preliminary authorization prior to submitting a Cash/Travel Advance Detailed Request Form – check with your adviser). The organization's adviser and the Administration and Planning Travel Coordinator will assess the request and determine the necessity and the dollar amount of the cash advance.
2. Each student organization is permitted to have only one open cash/travel advance at any given time. The outstanding advance must be reconciled before another new one will be approved.
3. All cash/travel advance requests must be submitted to Undergraduate Student Life (USL) Administration & Planning at least four weeks prior to the date the funds are needed.
4. These funds are to be used only for the purpose listed on the Cash/Travel Advance Detailed Request Form and in accordance with governing board, USL Administration & Planning and Columbia University policies and procedures.
5. Columbia University is tax exempt. A Tax Exemption Certificate must be used for all purchases that would otherwise include sales tax. Any payment of taxes from which Columbia is exempt will be deducted from the value of the receipts, and the advance holder will be responsible for returning those funds.
